SEA

The Student Education Association is open to all students interested in education, but is primarily for education majors. SEA gives students practical experience in teacher-teacher and teacher-citizen relations. At the regular meetings there may be guest speakers, panel discussions, field trips and chances to review and discuss educational materials. The sponsors are Mr. and Mrs. Raymond McMullan.

A Secondary Education Award and a Memorial Award for Elementary Education are given each year on Awards Day, the recipients being selected by the club membership.

THE TOM-TOM STAFF

No publication is easy, and all publications are important — even necessary. The Tom-Tom is no exception. Old issues give us a look at the history of East Central, while current ones present the present in easy, interesting form. In our future we will use lessons from the past and experiences from the present — all represented in the sister publications, "Tom-Tom" and the "Wo-He-Lo".

Clayton Whitehead, Martie Burton, Cindy Hamil, Mike Jones, Alice Myers, Teresa Warnock, and Carol McFarland

Every year of your college career is special. This year should be especially important to you, as it is to us. It is a year of history for East Central. This is our 50th Anniversary, and many of you are a part of the 50th graduating class. We sincerely hope that the experiences you have gained here will aid you in the future, not only the educational experiences, but also the formation of friendships, new acquaintances, and the participation in special events. We at East Central take great pride in providing the opportunities and facilities for your education and so hope that your goals for success will be met here.

Sincerely,

Third-Ranked Jones Upset By East Central

BY AUSTIN BISHOP

DECATUR — We interrupt this program to bring you this unprecedented occasion. World War III has broken out, the dollar is now only worth 17¢ and Jones County College has lost a football game.

The last one is hard to believe, but it's the only one [illegible].

The East Central Junior College Warriors pulled off [illegible] Tuesday night as ECJC quarterback Mark [illegible] and receiver Alex Ealy put on an aerial circus that was [illegible] unbelievable.

Kelsey ran the ball in clutch situations with such grace it would have made Roger Staubach drool.

Jones opened the game like it would win again.

However ECJC had other ideas.

Jones opened the scoring when Lamar Williams powered in from the 2-yard line with 4:37 remaining in the first period. The kick sailed wide left.

The Bobcats upped their advantage to 9-0 on a 37-yard field goal by Marshall James with 4:06 remaining in the first half. With 1:06 remaining in the first half, Willie Hansel put the Warriors on the board with a 1-yard run.

The drive covered 46 yards in 11 plays.

ECJC elected to go for two and Kelsey found a pass [illegible] corner to cut it to 9-8.

On the ensuing kickoff Wallace took the ball at the goal line, faked a reverse and put on the afterburners racing down the sidelines for a beautiful 100-yard TD jaunt. That put the Bobcats with breathing room at 15-8.

James doubled the score with his PAT boot.

With 29 seconds left in the first half Killens hit Ealy with a 3-yard TD toss to cap a 9-play 75-yard drive.

Killens was sacked trying to pass for the two-point conversion.

With 11:02 remaining in the game Killens connected with Ealy on a 58-yard TD pass.

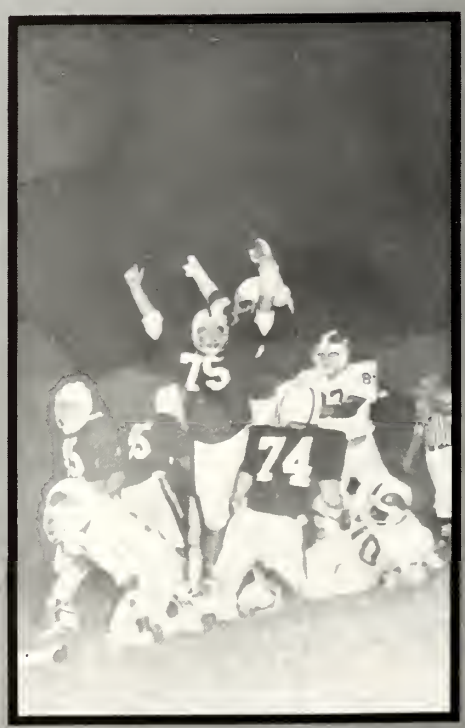
Ealy latched onto the ball at the Bobcat 40, shook a would-be tackler and raced down the right sideline for the eventual winning score.

Greg Hawkins added the PAT.

Hawkins all but sealed the victory when with less than two minutes left, hit a 58-yard punt dead at the Bobcat three.

East Central is now 6-3, while Jones dropped to 9-1.

Wow!

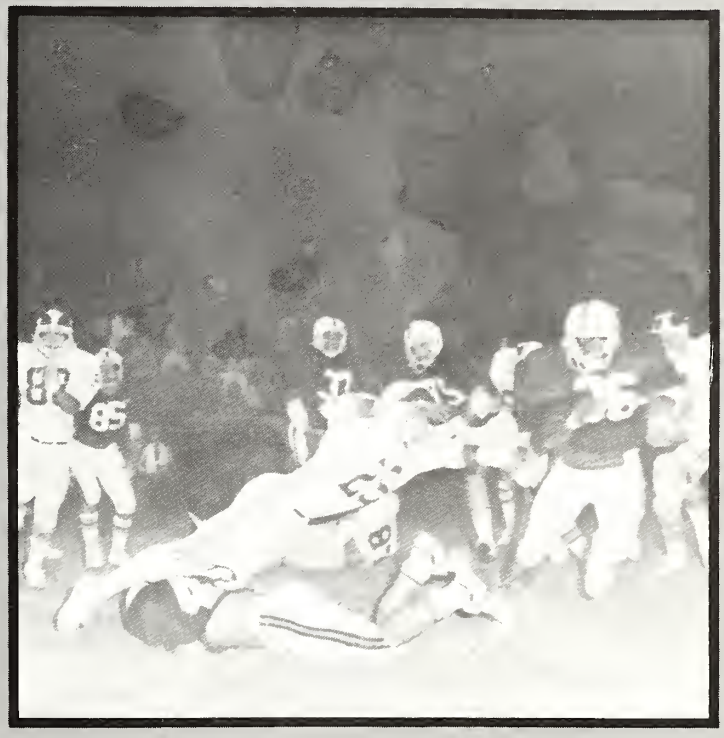


4 Warriors are All-State

"I think we had a real good year although I hate about all the folks getting hurt," explained Coach Ken Pouncey when asked of his feelings about the 1978 football season.

The ECJC Warriors ended the season on Saturday, November 4 with a 21-16 win over nationally ranked Jones. This left the Warriors with a 6-3-1 record, which improved last year's 4-6 season.

Even though every game is important, the last game had to be the best of all. Jones held a 9-0 record before they came to East Central. "I felt like we could beat them all along, but we had to work at it. All of the team really wanted to win," said Coach Pouncey. He added, "We had the best week of practice before that game that we had all year."



Warriors finish 6-3-1....

Closing win over Jones was high point
